by deleting all language after the enacting clause and by substituting instead the following:

SECTION 1. There is hereby created a special joint committee to study issues relative to:

(1) The role of employees of local education agencies in facilitating the usage of ritalin in public schools; and

(2) House Bill 708, as introduced.

SECTION 2. The committee shall consist of three (3) members of the House of Representatives selected from the membership of the House Health and Human Resources Committee and three (3) members of the Senate selected from the membership of the Senate General Welfare Committee, to be appointed by the respective speakers.

SECTION 3. That all appropriate state agencies shall provide assistance to the special joint committee upon request of the chair.

SECTION 4. That all legislative members of the special joint committee who are duly elected members of the General Assembly shall remain members of such committee until the committee reports its findings and recommendations to the General Assembly.

SECTION 5. The special joint committee shall be convened by the member with the most years of continuous service in the General Assembly; and at its first meeting shall elect a chair, vice-chair, and such other officers the committee deems necessary.

SECTION 6. That the special joint committee shall timely report its findings and recommendations, including any proposed legislation or interim reports, to the One
